KPS, through its affiliated management entities, is the manager of the KPS Special Situations Funds, a family of investment funds with approximately \$21.6 billion of assets under management (as of March 31, 2024). For over three decades, the Partners of KPS have worked exclusively to realize significant capital appreciation by making controlling equity investments in manufacturing and industrial companies across a diverse array of industries, including basic materials, branded consumer, healthcare and luxury products, automotive parts, capital equipment and general manufacturing. KPS creates value for its investors by working constructively with talented management teams to make businesses better and generates investment returns by structurally improving the strategic position, competitiveness and profitability of its portfolio companies, rather than primarily relying on financial leverage. The KPS Funds’ portfolio companies have aggregate annual revenues of approximately \$19.6 billion, operate 223 manufacturing facilities in 26 countries, and have approximately 47,000 employees, directly and through joint ventures worldwide (as of March 31, 2024). The KPS investment strategy and portfolio companies are described in detail at www.kpsfund.com.
