

**C&D Technologies, Inc.**

a KPS Capital Partners, LP portfolio company

is pleased to announce the acquisition of

**Trojan Battery Company, LLC**

C&D Technologies, Inc. (“C&D”) is a leading global technology company that manufactures and markets systems for the conversion and storage of electrical power, including industrial batteries and electronics. Trojan Battery Company, LLC (“Trojan”) is the world’s leading manufacturer of deep-cycle energy storage solutions for motive and stationary applications, and a battery technology pioneer. C&D’s acquisition of Trojan combines two leading providers of energy storage solutions with long histories of delivering the highest-quality, most-innovative products in the industrial, renewable energy and specialty motive markets. The combined company will be a global technology leader in the energy storage industry, with over \$1.0 billion of revenue, and the ability to provide a wide portfolio of high quality energy storage solutions to meet the growing needs of customers around the world.
