CRAIN'S 2019 NOTABLE WOMEN IN BANKING & FINANCE

Powered by Crain's New York Business

Crain's is proud to present the second annual class of Notable Women in Banking & Finance. Our list includes nine trailblazers whose careers have lit the way for the next wave of women leaders, often through initiatives designed to uplift those who follow in their footsteps. Both they and the notable honorees who follow them have demonstrated outstanding achievement within their firms and their communities.
