

KPS CAPITAL PARTNERS, LP

is pleased to announce the creation of

Autokinton Global Group, LP

which has acquired

L&W, Inc.

Autokinton Global Group will pursue investments in the global automotive supply industry

L&W is a leading “Tier 1” supplier in the automotive industry, specializing in hot and cold metal stampings and welded assemblies. The Company is a leader in metal-formed components and complex assemblies, with a product portfolio that is well-positioned for key automotive trends, including electrification, lightweighting and emission reduction regulations. Headquartered in New Boston, Michigan, L&W operates 23 sales, engineering and production facilities located throughout the United States with over 3,200 employees. For more information about L&W visit www.lweng.com
