

## **KPS CAPITAL PARTNERS, LP**

is pleased to announce the purchase of  
Tate & Lyle's 49.7% ownership interest in Primient,  
establishing KPS as sole-owner of the company.

Primient is a leading producer of food and industrial ingredients made from plant-based, renewable resources. Founded in 1906 as A.E. Staley Manufacturing Co., Primient has an over 100-year history of producing corn-derived products in the United States. The company produces corn-derived products which are used in a wide variety of applications including carbonated beverages, confectionary products, packaging applications and animal feed for some of the world's most recognizable food and beverage brands. Primient employs approximately 1,800 people across six manufacturing facilities in the United States and Brazil. For more information about Primient, please visit [www.primient.com](http://www.primient.com).
